

## Footprint report summary

**Date created** 28 July 2011

### Your details

**Phase: 1**

**Year: 2010/2011**

**CRC reference number: CRC0316946**

**Addressee: Mr Steve Beynon Isle of Wight Council**

### Designated change description:

**Core supplies\*** (this excludes core supplies of gas to an EU ETS installation and CCA facility and core supplies of electricity to a CCA facility).

Fuel type	Supply	Measurement units	Calculated emissions (tonnes CO2)
Core electricity not covered by a CCA	8,554,031	kWh	4,627
Core gas not covered by EU ETS or by a CCA	26,920,065	kWh	4,942

**Residual supplies: (Amount of residual fuel emissions as calculated from each fuel type listed as below)**

Fuel type	Supply	Measurement units	Calculated emissions (tonnes CO2)
Burning Oil/ Kerosene/ Paraffin	269,009	litres	681

Electricity	7,022,044	kWh	3,798
-------------	-----------	-----	-------

Liquid Petroleum Gas (LPG)	3,671	litres	5
----------------------------	-------	--------	---

Natural Gas	2,050,660	kWh	376
-------------	-----------	-----	-----

<b>Other fuel sources</b>	
Description	Amount

<b>EU ETS, CCA and exempt subsidiary emissions</b>	
<b>Core Energy Emissions covered by EUETS (tonnes of CO2)</b>	
<b>Non-Core Energy Emissions covered by EUETS (tonnes of CO2)</b>	
<b>Emissions covered by all CCA exempt undertakings (tonnes of CO2)</b> (i.e. CCA emissions covered by a CCA exemption and other emissions which are not CCA emissions but which are covered by a CCA exemption)	
<b>Core Energy Emissions covered by CCA (tonnes of CO2)</b> (where the emissions are not covered by a CCA exemption)	
<b>Non-Core Energy Emissions covered by CCA (tonnes of CO2)</b> (where the emissions are not covered by a CCA exemption)	

<b>Electricity generating credits</b>	901 Kilowatt hours	0 Tonnes of CO2
---------------------------------------	--------------------	-----------------

<b>Emissions</b>	
<b>Total Footprint Emissions (tonnes of CO2)</b>	14,429 Tonnes of CO2
<b>Regulated Emissions (tonnes of CO2)</b>	12,988 Tonnes of CO2
<b>% of Footprint Emissions covered by Regulated Emissions</b>	90 %
<b>Total CRC Emissions (tonnes of CO2)</b>	12,988 Tonnes of CO2

<b>Residual measurement list*</b>	
Description	Emissions (Tonnes of CO2)
All Saints primary school - Electricity	20

All saints primary school house - Electricity	7
Barton primary school - Electricity	43
Bembridge CE primary school - Electricity	24
Binstead primary school - Electricity	29
Bishop lovett middle school - Electricity	71
Brading CE primary - Electricity	15
Brighstone CE primary - Electricity	36
Broadlea primary school - Electricity	40
Carisbrooke CE primary school - Electricity	36
Chillerton & Rookley primary school - Electricity	13
Christ the king college lower - Electricity	44
Christ the king college upper - Electricity	135
Cowes high school - Electricity	7
Cowes library - Electricity	9
Cowes primary school - Electricity	53
Cowes youth centre - Electricity	9
Dover park primary school - Electricity	10
East cowes fire station - Electricity	7
East cowes queensgate foundation primary - Electricity	45
Forelands middle school - Electricity	44
Freshwater fire station - Electricity	6
Freshwater the Gouldings - Electricity	75
Godshill primary school - Electricity	21
Greenmount primary school - Electricity	44
Gurnard primary school - Electricity	20
Haylands primary school - Electricity	53
Holy cross catholic primary - Electricity	11
Love lane primary school - Electricity	46
Madeira house - Electricity	10
Medina high school - Electricity	1
Medina leisure centre - Electricity	179

Nettlestone primary school - Electricity	24
Newchurch primary school - Electricity	36
Newport bugle house - Electricity	52
Newport ce primary school - Electricity	32
Newport community services HQ - Electricity	42
Newport fire station - Electricity	73
Newport jubilee stores - Electricity	43
Newport lord louis library - Electricity	50
Newport childrens library services - Electricity	12
Newport the guildhall - Electricity	79
Niton primary school - Electricity	33
Northwood primary school - Electricity	34
Oakfield CE primary school - Electricity	27
Osborne middle school - Electricity	53
Ryde fire station - Electricity	38
Ryde high school - Electricity	3
Sandham middle school - Electricity	67
Sandown browns pitch & putt - Electricity	38
Sandown CE primary school - Electricity	11
Sandown fire station - Electricity	6
Shalfleet CE primary school - Electricity	27
Shanklin CE primary school - Electricity	41
Solent middle school - Electricity	75
Somerton middle school - Electricity	20
St boniface CE primary school - Electricity	23
St helens primary school - Electricity	7
St johns CE primary school - Electricity	20
St Magaret's primary school - Electricity	19
St Mary's catholic primary school - Electricity	23
St saviours catholic primary school - Electricity	18

St thomas of canterbury catholic primary school - Electricity	20
St wilfrid's catholic primary school - Electricity	33
Summerfields primary school - Electricity	17
Swanmore middle school - Electricity	52
Ventnor middle school - Electricity	66
West wight middle school - Electricity	90
Weston community primary school - Electricity	66
Wootton primary school - Electricity	22
Wroxall primary school - Electricity	17
All saints CE primary school - Gas	5
Christ the king college upper - Gas	10
Cowes high school - Gas	4
Cowes library - Gas	7
Dover park primary school - Gas	10
East cowes fire station - Gas	8
East cowes library - Gas	10
Greenmount primary school - Gas	11
Medina high school - Gas	11
Newport nodehill childrens library service - Gas	9
Nodehill middle school - Gas	5
Northwood primary school - Gas	17
Sandown CE primary school - Gas	3
Sandown fire station - Gas	12
Sandown high school - Gas	5
Shalfleet CE primary school	9
Shanklin CE primary school - Gas	3
St saviour's catholic primary school - Gas	10
St thomas of canterbury catholic primary school - Gas	5
St wilfrid's catholic primary school - Gas	5
Swanmore middle school - Gas	4
All saints CE primary school - Burning Oil	6
Brighstone CE primary school - Burning Oil	32
Carisbrooke high school - Burning Oil	147
Chillerton & Rookley primary school - Burning Oil	17

Freshwater fire station - Burning Oil	2
Newport thompson house - Burning Oil	65
Niton primary school - Burning Oil	12
Osborne middle school - Burning Oil	17
Ryde waterside pool - Burning Oil	199
St georges school - Burning Oil	46
St thomas of canterbury catholic primary school - Burning Oil	36
Swanmore middle school - Burning Oil	55
1 Langley court - Electricity	11
23-25 medina road - Electricity	19
Shanklin fire station - Gas	8
East cowes library - Electricity	12

Climate Change Agreement (CCA) Information	
Participant status	No CCAs

Significant Group Undertaking (SGU) Climate Change Agreement (CCA) Information			
Organisation Name		Isle of Wight Council	
Member Exemption(s)		Not Exempt	
Climate Change Agreement (CCA)			
Organisation Name	Emissions of Organisation (tonnes of CO2)	Emissions covered by CCA (tonnes of CO2)	Target Unit Identifier

**\*Please note that the fuel types in the boxes marked with an asterisk should be reported in your annual reports (subject to any changes to your residual measurement list brought about by a designated change).**

Email scams are an increasing problem. If you have received an email from the EA, NIEA or SEPA regarding the CRC Energy Efficiency Scheme that you consider to be fraudulent, please forward it to the following respective addresses:

For the EA – [crc-operations@environment-agency.gov.uk](mailto:crc-operations@environment-agency.gov.uk)

For NIEA – [CRCNI@doeni.gov.uk](mailto:CRCNI@doeni.gov.uk)

For SEPA - [CRC@sepa.org.uk](mailto:CRC@sepa.org.uk)

We cannot reply to every email, but action is taken on each report received.

Please also do everything you can to ensure that the identifiers and passwords you use when accessing the CRC Registry are kept secure. You should not divulge your online User ID and password to anyone. Any suspicious activity should be reported to us immediately.
