Interests

If there is a matter on this agenda which may relate to an interest you or your partner or spouse has or one you have disclosed in your register of interests, you must declare your interest before the matter is discussed or when your interest becomes apparent. If the matter relates to an interest in your register of pecuniary interests then you must take no part in its consideration and you must leave the room for that item, except you may participate as a member of the public to express your views where public speaking is allowed under the Council's normal procedures. In such cases once you have participated as a member of the public you must leave the room during the remainder of the debate.

Members are reminded that it is a requirement of the Code of Conduct that they should also keep their written Register of Interests up to date. Any changes to the interests recorded on that form should be made as soon as reasonably practicable, and within 28 days of the change. A change would be necessary if, for example, your employment changes, you move house or acquire any new property or land.

If you require more guidance on the Code of Conduct or are unsure whether you need to record an interest on the written register you should take advice from the Monitoring Officer - Davina Fiore on (01983) 821000 extension 6209, email davina.fiore@iow.gov.uk, or one of the Deputy Monitoring Officers – Chris Mathews on (01983) 821000 extension 6280, email chris.mathews@iow.gov.uk, or Helen Miles on (01983) 821000 extension 6342, email helen.miles@iow.gov.uk.
