

Education, Skills and Training Deprivation

This measures the extent of deprivation in terms of education, skills and training in an area. The indicators were split into: Children & young people and Adult skills, each designed to reflect the ‘flow’ and ‘stock’ of educational disadvantage within an area.

Children/young people:

- Average points score of pupils taking: English Maths and Science both at KS2 and KS3 exams;
- Average capped point score of pupils taking KS4 (GCSE equivalent) exams;
- Proportion of young people not staying on in school or non-advanced education above age 16;
- Secondary school absence rate;
- Proportion of those aged Under 21 years of age not entering Higher Education.

Adult skills:

- Proportion of adults aged 25-54 with no, or low qualifications.

National comparison: Island LSOAs which were amongst the 20% most deprived areas in England:
