| Item | Local Sustainable Transport Fund Delivery Programme |
| Decision reference | 39/12 |
| Notice of Decision Published | Wednesday, 24 October 2012 |
| Decision taken | <p>i. THAT the 5 elements of the Local Sustainable Transport Fund and the associated spend profile to accept the grant from the Department for Transport (DfT) be approved.</p> <p>ii. THAT authority be delegated to the Director of Economy & Environment to bring forward reserve schemes if deliverable within the budget allocation.</p> |
| Reason for decision | To support the key priority of “Regeneration and the Economy” as it will help to create jobs, boost spend at tourist providers and attractions and bring indirect regeneration benefits into local facilities Islandwide. |
| Additional reasons | To deliver local infrastructure that will support the objectives of reducing the need to travel, to improve accessibility across the Island and maintain functional transport links with the mainland, as well as support a diverse tourism offer, particularly focussing on sustainable tourism. |
| Options considered and rejected | Option 2 - to not accept the Local Sustainable Transport Fund grant. |
| Declarations of interest | None declared |
| Additional advice received | None received |
