4/03 [ACQUISITION OF LAND FOR PLAYING FIELD AT CHILLERTON
PRIMARY SCHOOL](#)

Consideration was given by the Portfolio Holders to acquire an area of land adjacent to Chillerton Primary School in order to provide a playing field. The Council currently occupied an area of land for a playing field from Southern Water on a twelve-year lease from August 1990. Southern Water had advised the Isle of Wight Council that they intended to submit a planning application for residential use on part of that land. The remainder of the land leased from Southern Water was unsuitable as a playing field.

The Portfolio Holders were informed that without a sports field the future of the School would be at risk, as it would not meet statutory requirements. Details of the land identified as a new playing field were given together with the proposed terms for its purchase.

DECISION TAKEN :

THAT the land identified be acquired under the terms specified in the report.
