Bestival traffic - resident information

This map shows the designated routes for Bestival traffic between the East Cowes and Fishbourne ferry terminals and the event site at Robin Hill.

These routes will be very busy on Thursday 6, Friday 7 and Monday 10 September, so residents are advised to plan their journeys to avoid these routes if possible, in particular the Robin Hill roundabout and Hare and Hounds junctions. Highways officers will be patrolling designated routes and surrounding areas to marshal traffic and provide advice as necessary.

Rowlands Lane will operate a one-way system during the Bestival – on Thursday and Friday it will be one-way from the Havenstreet Main Road junction to the Bestival car park. On Monday the direction will be reversed and traffic flow will be from the Bestival car park to the Havenstreet Main Road junction. Saturday and Sunday will be two-way as usual.

Vehicles illegally parked on roads designated and signed as 'clearways' will be towed away to assist in the free flow of traffic.
