# Diversity incident reporting form

Help us to see what's happening. Make this a safe and fair place to live and work free from inequality and harassment.

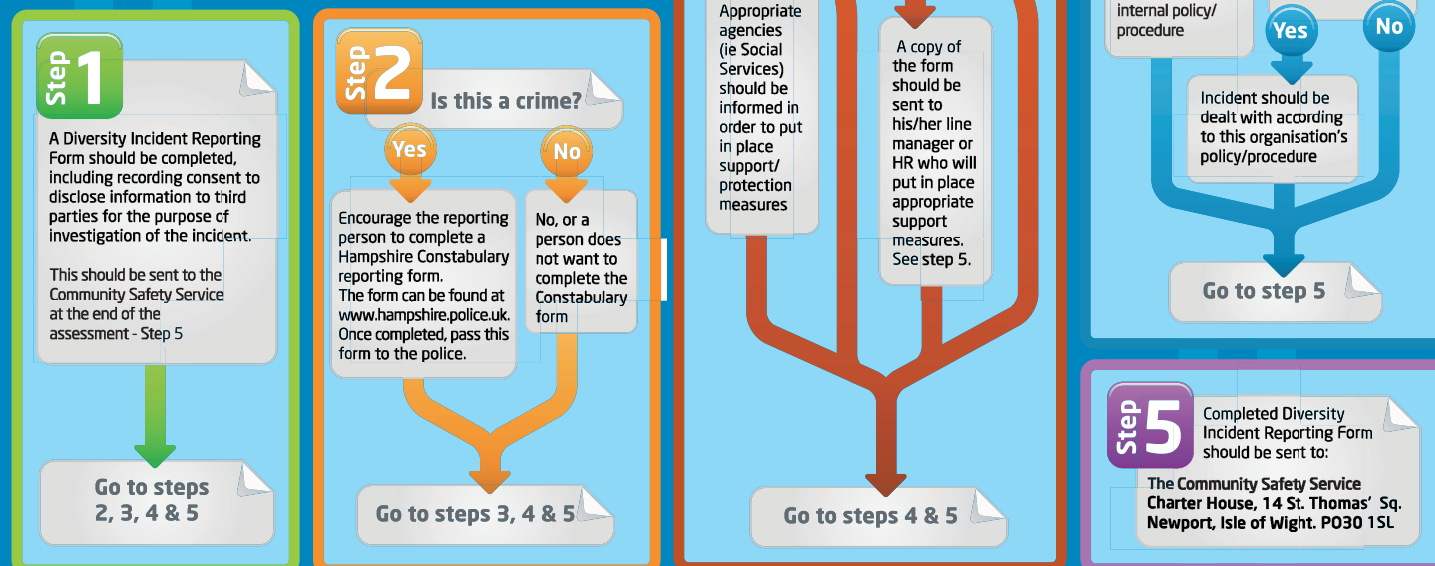

Use this form to report any diversity incident that you may have experienced, witnessed, or are reporting on behalf of someone else.

Incidents involving members of the public may be recorded and referred to the Hampshire and Isle of Wight Police for investigation. You can report all types of diversity incidents including damage, assault, verbal abuse and harassment. The form can be used to report a diversity incident as a witness or as a victim. Sometimes you may feel that the incident is too minor to report. It is, however, still important to tell us what's happened so we can aim to provide a safe place to live and work.
