

## **COACHING & OFFICIATING BURSARY**

The IOW Council Sports Development Unit is committed to supporting and developing an infrastructure of highly skilled, qualified coaches and officials to help support the delivery of Sport at all levels.

The coach & officiating bursary supports coaches and officials with small grants to undertake national governing body coaching and officiating courses.

Bursaries up to the value of 50% of the overall cost of any course can be allocated. All applications are considered on individual merit. The Sports Development Unit will accept applications forms throughout the year. All applications must be received prior to the individual starting the coaching course.

For further information please contact the Sports Development Unit:
