The Occupier

Dear Residents,

Isle of Wight Music Festival 10 – 12 June 2011

In order to minimise any parking problems during the festival for local residents the Council will be organising a residents' only parking operation in the areas adjacent to the festival site during the 2011 event.

I have attached two permits for use by your household allowing parking both on and off road. In order to validate the permits could you please add the registration number of the car that will utilise the permit and ensure it is displayed in the car windscreen for the duration of the festival. Cars without permits may be subject to excess parking charges or refused entry to the area.

Parking restrictions will be enforced by the provision of fixed barrier at the entrance to Fairmount Drive and Mayfield Drive. Access to the area for permit holders only will be via Halberry Lane and Cross Lane which will also be staffed at the busiest periods as shown below:

Friday 10th / Saturday 11th June	Halberry Lane 10.00 am – 1.00 am	Cross Lane 10.00 am – 1.00 am
Saturday 11th / Sunday 12th June	Halberry Lane 10.00 am – 1.00 am	Cross Lane 10.00 am – 1.00 am
Sunday 12th / Monday 13th June	Halberry Lane 10.00 am – 1.00 am	Cross Lane 10.00 am – 1.00 am

If you consider that you require more than 2 permits for your property for example if you have more than two cars registered at your property, two additional permits per household will be available by filling in the slip below and **returning this complete letter (by Friday 27 May)** to The Events Section at County Hall (address above). Please note, additional permits will be for off road parking only and will not allow parking on the road. These additional permits will be delivered by the IOW Council in **June**.

I sincerely hope that these arrangements will again meet with your support and that they will be of help to you during the festival.

Yours sincerely
