

# Estuary Explorer kit

There is a whole world to discover in the wonderful Western Yar Estuary - our Estuary Explorer Kit can bring it to you!

## What's in the box?

\*Brilliant games and resources to help you explore the Western Yar Estuary and discover the importance of this special habitat

\*Wild and wonderful activities such as map based skills, art and stories as well as interactive educational games in an open space or with the mp3 player

\*The Estuary Explorer kit is available to borrow free of charge to community and school groups

...and much more!

*The project is only just beginning, so please do get involved and help us develop this exciting project into one that helps you provide fun, creative, challenging and interesting activities for the members of your group - whatever their interest or ability.*
