

The Isle of Wight – famed for its beautiful countryside and coastline

Now's the chance to make sure that the public can fully enjoy our 'great outdoors' by becoming a member of the Isle of Wight Local Access Forum.

The forum meets four times a year and discusses issues which help to improve people's access to the countryside.

It is currently looking to fill several vacancies in its 22-strong membership.

Applicants should have an interest in the public rights of way or the countryside either as a user, as a land manager or owner or otherwise have another interest relevant to the forum.

Application forms can be obtained from Lee Skinner, Isle of Wight Council, Public Rights of Way, Coastal Visitors' Centre, Dudley Road, Ventnor, PO38 1EJ. Telephone (01983) 857230. Email:

Lee.Skinner@iow.gov.uk.

Applications should be returned by Thursday 30 April.
