### **Client Group**

*People with disabilities*

### **Who can refer**

*Not stated*

### **Geographical area served**

*Isle of Wight*

### **The organisation can provide**

*DIAL is a free and confidential service provided by people with disabilities themselves, so they have direct experience and empathy on the subject. A document Braille service is also offered at a small charge.*

### **Other information**

*If you have a query, please ring for an informal chat or, alternatively, make an appointment to visit the office to talk to someone in confidence.*
