**The library that  
comes to you!**

**Isle of Wight Library Service**  
*Inform, Inspire, Entertain*

Not being able to get about easily doesn't mean that you can't have a library service.

We can arrange for our specially equipped Home Library Service to call at your house.

All we need is confirmation from your doctor (which we will obtain) that you are unable to visit your local library.

Simply complete the details below and return this form to

or to any Island library.

We regret that currently we are unable to offer this service to people living in residential care or sheltered accommodation. Managers of establishments are welcome to arrange bulk collections for their residents from a convenient library.

For further information or if you have any comments, please contact County Library HQ, 01983 203880 or [libraries@iow.gov.uk](mailto:libraries@iow.gov.uk)
