### STEP 3: LOG-IN TO YOUR PERSONAL PATRON ZINIO ACCOUNT AND SITE

When your Zinio account screen opens you will be prompted to create a free Zinio account or log back in if you already have an existing Zinio account. **Note: this is a unique, personal Zinio account that you are creating to view and manage magazines in our collection. You will need to create a unique username and password for your Zinio account separate from your library authentication information.**

The benefit of your personal Zinio account information allows you to **personalize your own collection** to view online or offline (on devices and using the Zinio4 Reader) to view and manage your magazines either online or via one of the many Zinio apps available including PC, Mac, iPad, iPhone, Android, Kindle Fire and Blackberry Playbook:

The screenshot shows the Zinio website interface. At the top left is the Zinio logo. To the right are links for 'log in', 'register', 'safe view: on / off', and 'help'. Below these are 'my library' and 'cart (0)' icons. A navigation bar contains 'home', 'shop', and 'featured'. A search bar is on the right. A blue category bar lists: art, automotive, entertainment, home, lifestyle, men, news, science & tech, sports, travel, women, view all.

The main content area features a 'Get Your Copy Now!' section for 'Dwell Digital'. It includes a magazine cover for 'The Now 99' with the subtitle 'Today's Design Landscape: Ideas, People, Products & Plans'. Text below the cover reads: 'Fresh, intelligent coverage of modern residential architecture and design.'

Below the magazine information is a registration form titled 'new to zinio?'. It contains the text: 'Please register to set up your digital magazine delivery. If you already have an account, [sign in here](#)'. To the right of this text is a red arrow pointing left labeled 'Returning Users Log In'. The form has five input fields: 'First Name\*', 'Last Name\*', 'Email Address', 'Password\*', and 'Confirm Password\*'. A red arrow points to the 'Password\*' field with the text 'First-Time Users Create a Zinio Account'. At the bottom right of the form is a blue 'continue >>' button.

At the bottom of the page is a footer with links: 'about us / affiliates / legal notices / mobile newsstand / reader apps / site map / help / feedback'. Below the footer is the copyright notice: '© 2001-2012 Zinio LLC. - San Francisco - New York - London - Barcelona - Taipei - All rights reserved.'

#### STEP 4: VIEWING YOUR MAGAZINES MOBILE DEVICES AND DESKTOP/LAPTOPS

After logging in to your Zinio account, your magazines are available for viewing online.

Click on the selected magazine and it will open for you.

For enhance viewing options on your Devices (and PCs and Macs) consider using the built in Zinio Reader 4 App software. You will only need to download the Reader 4 software once. You may download the software here:

<http://www.zinio.com/apps/desktop.jsp> or click on 'Download my content for offline reading' from your Zinio account page or from the Apple Store (iPhone, iPad, Mac) or Play Store (Android). (A friendly reminder: make sure you are using the intended computer or device when you select to download the appropriate App.)

## STEP 5: SWITCHING BETWEEN LIBRARY COLLECTION AND PERSONAL PATRON ZINIO ACCOUNT AND SITE

After selecting a magazine to view, and depending on your browser and your computer settings a new browser tab will open to your personal Zinio account screen to enable quick switching between your Zinio account (My Library/My Account) and the library collection site (Return to Library Collection.) (If the Zinio account screen opens in place of the library tab you can easily go between your Zinio account and the library collection by using your back arrow button on the top left of most browser bars. See the example below.) But, for most computer settings a new browser tab will open.

## ADDITIONAL VIEWING PREFERENCES AND OPTIONS FOR YOUR PERSONAL PATRON ZINIO ACCOUNT AND SITE

If your magazine is viewable online, the Zinio online reader automatically opens when you click a magazine cover. With the online reader you can view page spreads of the magazine just like in the print edition with many areas of the magazine having added-value links. Additional view options include using the gallery view, slide page features and quick access to the magazine table of contents page. You can even search within a magazine, print pages (in most cases) and zoom the page(s) to enjoy more page detail.

You may also access your magazines through any of the existing Zinio apps available. Enter the username and password that you used when you created your personal Zinio account when prompted to sign in using the app:

If your mobile device does not have a dedicated App, Zinio may still be accessed using your browser feature (online connection required.) Virtually all the magazines may be viewed through a device browser (the only exception would be a magazine that requires a Zinio Reader and does not allow for online streaming.)

Magazines accessed through the apps may be viewed online or downloaded so they are available for off-line viewing:
