1. These charges have been made under the Building (Local Authority Charges) Regulations 2010 and apply from the **1st January 2011 (VAT rate of 20%)**. Cheques should be made payable to 'Isle of Wight Council'. Payment can also be made in cash or by credit / debit card at our Seaclose Office.
2. The charges for Building Regulation work are required to cover the cost of providing the service. There are two methods of establishing the charge for building works:
  - a. Standard charges (a set cost)
  - b. Individually determined charges (quotation by Building Control Department)

There are standard charges for non-domestic new build, extensions, and alterations. If the work you are carrying out is not listed as a standard charge, the charge will be individually determined. This method of determining the charge mainly relates to larger schemes.

5. Applications may be deposited in person, by post or electronically via [www.iwight.com/buildingcontrol](http://www.iwight.com/buildingcontrol).
