

Final Consultation Statement Community Engagement Conformity Check

Introduction

The Community Engagement Conformity Check Consultation Statement is one of the background document's that details who was consulted in each parish and how the issues raised informed the production of the final document. The consultation statement has been updated to include the consultation undertaken by the Council toward the formal adoption of the community documents as Supplementary Planning Documents (SPDs). The council considers that the final consultation statement provides sufficient detail to satisfy Part 5, Regulation 12 of the Town and Country Planning (Local Planning) Regulations 2012.

Consultation undertaken by the Parish

Community engagement is important in the development and adoption of Community Led Plans. Evidence of robust consultation with the community and evidence that the results of this have influenced the final document are necessary if the plan is going to be considered for formal adoption as a (SPD).

In order to consider whether each community led plan has been through the appropriate consultation, a Community Engagement Check has been applied to each document and the outcome summarised in the tables below:

Table 1

<i>Chale Village Design Statement</i>	
Community Engagement (Y/N)	Explanatory Text
Y	<p>Chale Village Design Statement has been through local public consultation and has been adopted by the Parish Council.</p> <p>The community as well as local businesses and the farming community were consulted by circulating questionnaires being circulated and through public meetings, workshops and community events. The questionnaires were designed for the local community and additional consultation was undertaken with pupils from the local primary school and other groups. The results were analysed and have informed the production of the final document.</p>
Overall summary assessment	
Chale Village Design Statement has been through appropriate consultation with the local community. This consultation has informed the production of the final document.	
Any further actions required	
No further action is required	

Table 2

<i>Nettlestone and Seaview Parish Plan</i>	
Community Engagement (Y/N)	Explanatory Text
Y	<p>Nettlestone and Seaview Parish Plan has been through local public consultation and has been adopted by the Parish Council.</p> <p>The community as well as local businesses, landowners, societies, clubs and historic building occupiers were consulted by circulating questionnaires and through public meetings and community events. The questionnaires were designed for the local community and additional consultation was undertaken with pupils from the local primary school. The results were analysed and have informed the production of the final document.</p>

Overall summary assessment
Nettlestone and Seaview Parish Plan has been through appropriate consultation with the local community. This consultation has informed the production of the final document.
Any further actions required
No further action is required

Table 3

<i>Yarmouth and Thorley Community Plan</i>	
Community Engagement (Y/N)	Explanatory Text
Y	<p>Yarmouth and Thorley Community Plan has been through local public consultation and has been adopted by the Parish Council.</p> <p>The community as well as local businesses were consulted through the use of flyers and questionnaires and public meetings. The questionnaires were designed for adults and young people in the community and were delivered to households, schools and youth centres. The results were analysed and have informed the production of the final document.</p>

Overall summary assessment
Yarmouth and Thorley Community Plan has been through appropriate consultation with the local community. This consultation has informed the production of the final document.
Any further actions required
No further action is required

Consultation undertaken by the Isle of Wight Council

All three community documents were subject to a further period of consultation by the council as part of the process of formal adoption as SPDs. The council made reference to the fact that the documents had been subject to a detailed local consultation and involved both the parish and town councils and ward Councillor for the area as well as the wider community.

The community documents and accompanying background documents were made available on the council's website and at Planning Reception, Seaclose Offices, Customer Services, County Hall and Ventnor, Ryde and Freshwater Libraries as these are the nearest core libraries to each administrative area. The consultation period lasted for six weeks, running from 27 July 2012 to 10 September 2012. A copy of the notice advertising the consultation period can be found at the end of the document.

During the consultation period, the council received no comments on the documents. The council notified the parish and town councils that no comments were raised and unless there were any suggested changes that the respective parish and town councils would like to make, the council would proceed with the delegated decision and move towards formal adoption. The parish and town councils had no suggested changes to make and welcomed the progress being made towards the formal adoption of each community plan.

**Chale Village Design Statement,
Nettlestone and Seaview Parish Plan and
Yarmouth and Thorley Community Plan
Supplementary Planning Documents Consultation**

At the request of the local communities of Chale, Nettlestone and Seaview and Yarmouth and Thorley, the Isle of Wight Council is consulting on the content of community documents with a view to adopting them as Supplementary Planning Documents (SPDs) within the Island Plan Local Development Framework. The consultation is for the following documents:

- Chale Village Design Statement
- Nettlestone and Seaview Parish Plan
- Yarmouth and Thorley Community Plan

The Chale Village Design Statement sets out design considerations for development proposals. Both the Nettlestone and Seaview and the Yarmouth and Thorley Community Plan set out issues that are important to their communities and how they would like their community to be in the future.

All three documents have been prepared by Parish Councils and cover their administrative areas and are supported by a Sustainability Appraisal Screening Report and Island Plan Core Strategy Conformity Checklist.

The above documentation is available to view and download at:

www.iwight.com/communityplans

Copies of the draft SPDs and accompanying documents are also available for public inspection at:

Seaclose Offices Reception, Fairlee Road, Newport
Monday-Thursday 8.30am to 5pm (except last Wednesday of the month - 10am to 5pm)
Friday 8.30am to 4.30pm

County Hall Reception, High Street, Newport
Monday-Thursday 8.30am to 5pm
Friday 8.30am to 4.30pm

Ventnor Library, Ryde Library and Freshwater Library (please check for opening times).

The period for representation will run from Friday 27th July until midday on Monday 10th September 2012. Any representations may be accompanied by a request to be notified at a specific address of the adoption of any of the SPDs.

Representations should be sent to: Planning Policy, Isle of Wight Council, Seaclose Offices, Fairlee Road, Newport, Isle of Wight, PO30 2QS or via email to: planning.policy@iow.gov.uk

If you have any queries, please contact Planning Policy on Tel: (01983) 823552, Fax: (01983) 823851 or email: planning.policy@iow.gov.uk
