

Retail Survey for Ryde

**Information to update the Town Centre
Health Check Study**

March 2012

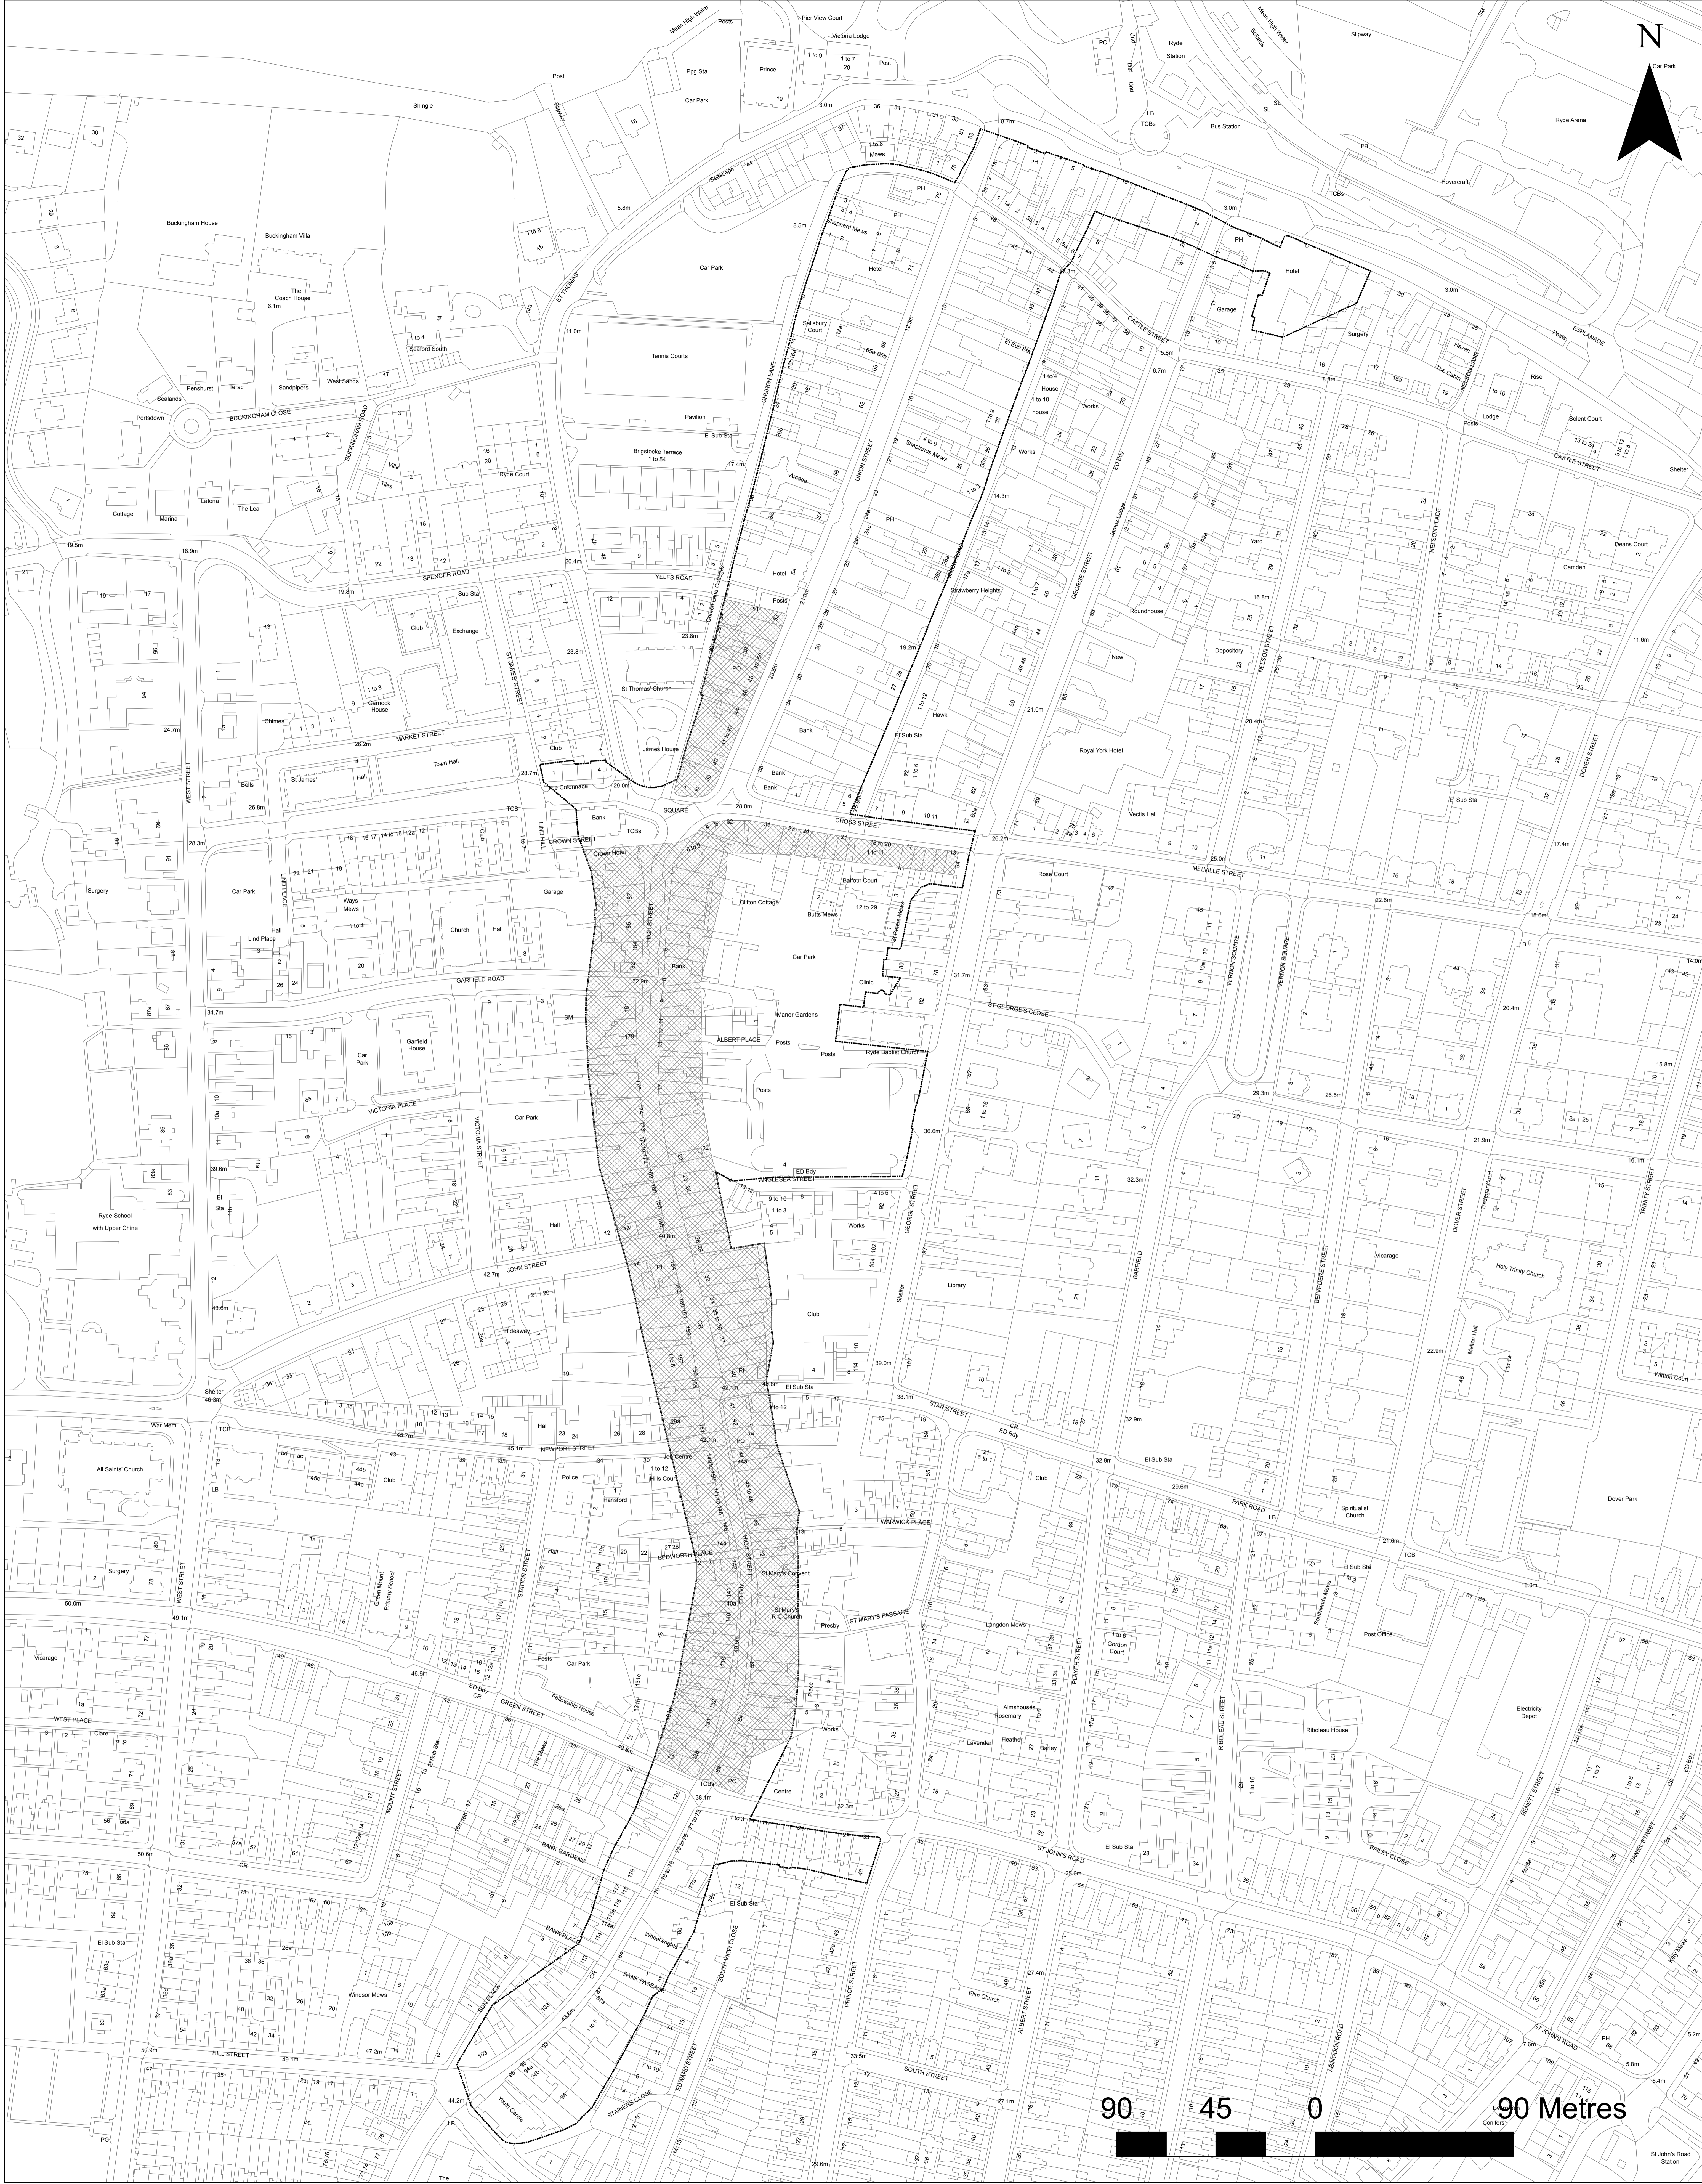

To inform the background work to the Ryde Area Action Plan the Council undertook surveys of non-residential properties in and around the town centre boundary of Ryde.

This information can be used as an update to the Town Centre Health Check Study and can be used to inform planning applications and the decision-making process.

The surveys were undertaken in late January 2012.
