

LONG STAY DIRECT DEBIT
Terms and Conditions

1. The option to pay by direct debit installments is only available for annual long stay permits.
2. An initial admin set up fee of £50 is payable at point of application – the direct debit will then be set up to be taken by 10 payments of £50.
3. Applications can be made online at www.iwight.com or by post to 'Isle of Wight Council (Parking Services), PO BOX 114, Sandown, Isle of Wight, PO36 6BT'.
4. The permit will be valid for use in all Council-owned long stay car parks (excluding Dinosaur Isle & Browns Golf Course and Ventnor Botanic Gardens). It will not be valid for use in any other parking location.
4. The issue of a permit does not guarantee the availability of a parking space. It merely entitles the specified vehicle to park in a designated parking bay within a permitted car park if there is sufficient space.
5. The permit cannot be used in any vehicle other than the vehicle specified on the permit. Should you have a Courtesy Vehicle from a Garage, a temporary permit must be obtained from any of the Council's Help Centres.
6. At the Council's discretion, a duplicate permit may be issued if you change your vehicle, providing that the original permit is returned. An administration fee of £12 will be made for the issue of such a permit.
7. The permit is issued subject to the conditions of the current Parking Places Order, which may be seen during normal office hours at the Council offices.
8. The permit is only valid if the vehicle is displaying a valid Road Fund Licence.
9. The permit must be clearly displayed inside the front nearside windscreen and remains the property of the Isle of Wight Council. Failure to clearly display the permit for whatever reason will render the vehicle liable to a penalty charge.
10. No refunds will be made on payments received. The permit will cease to be valid in the event of direct debit payments not being received and any user of that permit will be liable to a penalty charge.
