Dear Mr Ashcroft,

### **Wellow Wind Turbine Proposal – Planning Proposal**

Thank you for provision of a CD version of the West Wight wind turbine development (Wellow) Environmental Statement (ES). This Directorate has nothing to add to the comments made in my earlier correspondence dated 4 July 2006; there are potential issues related to various aerodromes, possible lighting requirements and the need for charting for aviation purposes.

Of course nothing mentioned previously or herein negates the need to consult in line with the requirements of ODPM Circular 1/2003.

Yours sincerely

  
Mark Smailes
