Mr Andrew Ashcroft,
Head of Planning Services,
Isle of Wight Council,
Council Offices, Seaclose,
Fairlee Road, Newport,
IW PO30 2QS

1st June 2006

Dear Mr Ashcroft,

TOP/01400/06 - West Wight Technology Site at Wellow

When this application is heard by the Development Control Committee we would like the opportunity to speak in front of the Committee on the devastating impact that we think the proposed turbines would have on the exceptional landscape and the far reaching harm they would have on the local economy, as well as the effects on the local population.

Yours sincerely,

Michael Hammond
