## 2012/14

### Ventnor

## William Hall

My name is Will and I attend Christ the King College at my first year of GCSE's (Year 10). I live in Wroxall and have lived on the Island for 6 years and I enjoy the natural beauty of the Island and its history.

I also like to kayak in the summer and go running at Sandown running track. Three years ago I joined St. Johns Ambulance cadets and have got my first rank a few months ago. I think that I will be a good candidate because I can listen to people and I can voice mine and others ideas clearly and concisely. I also could go into the community and ask peoples opinions because I am approachable. I am hoping to be a part of the Youth Council.

What is important to young people on the Island?

1. The price of transport.
2. Safety in the local area.
3. Entertainment and bringing the youths into the community.

What would I want to achieve?

I would try and persuade Southern Vectis to bring back the Student Rider so that the youths can travel at little cost enabling them to make the most out of their youths and be part of the community.

Why vote for me?

I think that you should vote for me because I can get the full picture of an issue and making a clear and concise conclusion.
